

Principal's Message

Safety Practices

At HES, the safety of our students and staff is paramount. In our efforts to put safety first, we are utilizing the following safety practices. Temperatures of students are checked upon entering the building daily. Students have been provided individual desk shields in classrooms. Mask wearing is encouraged and masks are available to students upon request. We also encourage distancing as much as possible. Students are asked to wash/sanitize their hands. Air purifiers have been placed in all classrooms which sanitize the air circulating in the classroom. Classrooms are sanitized daily in accordance with DHEC and CDC guidelines. Again, thank you for your continued support and we hope that each of you continue to remain safe.

Waterford Upstart Family Orientation- September 24th @ 9:00 a.m.

Parents of students in Child Development (4K) are required to attend a one-hour orientation to learn about Waterford Upstart. This session will provide parents with the benefits and requirements of the program. During the orientation, equipment will be distributed to parents of the 4K student. Attendance at the orientation is required. Families will not receive equipment or have access to the curriculum until they have attended an orientation session.

Problem of the Week

What number has 7 tens and the same number of ones as tens? ____

(Answer to last week's word problem was 6-2=4 balloons)
