

Principal's Message Student Work

Parents, as we continue to provide instruction through this pandemic, it may be necessary for some of our students to quarantine and be out of school for a period of time. Should your child need to quarantine, please remember that you can access your child's Canvas page to view the teacher's weekly lessons and expectations for student work. If you need further details, please contact your child's teacher for their Canvas login information. Thank you for your continued support and we hope that each of you continue to remain safe and healthy.

Waterford Upstart Family Orientation

Parents of students in Child Development (4K) are required to attend a one-hour orientation to learn about Waterford Upstart. This session will provide parents with the benefits and requirements of the program. During the orientation, equipment will be distributed to parents of the 4K student. Attendance at the orientation is required. Families will not receive equipment or have access to the curriculum until they have attended an orientation session. Please contact Mrs. Amber Poston, Child Development Teacher, if you have any questions.

Problem of the Week

There are 23 students in Mrs. Gaster's second grade class. If there are 11 boys in the class, how many girls are in Mrs. Gaster's class?

(Answer to last week's word problem was 7 tens and 7 ones =77)

Upcoming Calendar Reminders
