

Jennifer Murray-Brown

The mission of Greeleyville Primary School is to globally position students for success. **December 2022**

### Food for Thought...

“Resilience is very different than being numb. Resilience means you experience, you feel, you fail, you hurt. You fall. But, you keep going.”  
— Yasmin Mogahed

### Reflections

As I roam the halls of Greeleyville Primary, I see the excitement and jubilation on the faces of the students, staff, and teachers as we continue our trek to achieving greatness. Despite a few challenges and unexpected events, we remain focused on ensuring that our students receive the best education possible. Thank you for continuing to trust us to educate your children. Our goal is for all students to have a solid foundation that will make them well-rounded student leaders who will pursue their interests and achieve their optimum levels of success.

Parents/Guardians, we appreciate your support, encouragement, understanding, and dedication. There is absolutely no way we can do our jobs efficiently or effectively without you working with us.

### MAP Testing

All kindergarten through second grade students will take the **MAP (Measures of Academic Progress) tests beginning on Tuesday, November 29, 2022**. Make sure your child/children get plenty of rest. We want all students to do their best. **Incentives will be rewarded to those students who show growth in the areas of reading and math, so parents your encouragement is needed.**

## Picture Day at GPS

Students at Greeleyville Primary will take fall pictures on **Thursday, December 1, 2022**. Please check for your child’s parent communication folder for additional details concerning picture day poses and package details. Smile! 😊

## Congratulations Soaring Eagle Winners!
