

Jennifer Murray-Brown

The mission of Greeleyville Primary School is to globally position students for success. **January 2023**

Food for Thought...

“A fresh start. A new chapter in life waiting to be written. New questions to be asked, embraced, and loved. Answers to be discovered and then lived in this transformative year of delight and self-discovery.”

— Sarah Ban Breathnach

HAPPY NEW YEAR!

A new year means new and greater opportunities to do amazing things. At Greeleyville Primary we believe that all of our students are capable of achieving greatness. We will continue to soar to success as we aim to achieve our vision, mission, and goals.

Instructional Updates

Greeleyville Primary’s staff and administration are focused on providing your child with personalized instruction to meet their needs. We are encouraging all parents to attend parent conference day on next Thursday to learn more about the instructional changes that are taking place in our district and in our school. This will also be an opportunity for you to collaborate with your child’s teacher and ask direct questions for clarity.

i-Ready

i-Ready is a new instructional software program that we have recently begun implementing. This program is designed to provide students with supplementary support in reading and math. If your child has a computer and Wi-Fi at home, then they will be able to engage in extended online practice. This will ultimately lead to an increase in your child’s academic growth and build their confidence. You will learn more at parent conference day on next Thursday.

Parent Conference Day

Parent Conference Day will be held on **Thursday, January 19, 2023 from 3:00pm-6:00pm**. A spaghetti dinner will be served.

Congratulations Soaring Eagles!

- Kayla Burgess-Child Development
- Ka’Siyah Williams-Child Development
