The mission of Greeleyville Primary School is to globally position students for success. **October 2022**

Greeleyville Primary School

7 Varner Ave./P.O.Box 128 Greeleyville, SC 29506

Parents/Guardians:

Thank you for all that you continue to do to ensure that your child receives the best educational experiences possible. Greeleyville Primary’s administrators, staff, and teachers are on a mission to prepare students for the life-long journey ahead. If you have any questions or concerns about your child’s daily learning experiences, please don’t hesitate to contact the school to request a conference with your child’s teacher or with school administration.

### Goal: Increasing Student Achievement

Greeleyville Primary is striving daily to plan and execute engaging, hands-on lessons to all students. We are working diligently and tirelessly to close the learning gaps and increase student achievement. Teachers are meeting regularly to discuss student data and plan personalized lessons to meet the individual needs of all students. Our primary instructional focus at this point in the school year is to provide students with differentiated and intensive small group instruction. Teachers are receiving ongoing training on the school level from administrators and coaches to support their efforts with planning and delivering quality instruction. The school is also seeking additional outside support and resources from community members and agencies that are willing to come in and provide supplementary aid to our students, specifically in the areas of reading and math.

### Title I Public Meeting

The second school improvement council/PTO meeting will be held on **Thursday, October 20, 2022 at 5:30pm** in the Multipurpose Room. During this meeting, we will discuss Title I information, student data, and plans for improving student achievement. Please join us!
