

District School, Kingstree Middle Magnet School of the Arts, Students Help Elder Community Members

On December 6, 2019, members of the Student Council, National Junior Beta Club and FBLA at Kingstree Middle Magnet School of the Arts served dinner to approximately 300 senior citizens of the Central, Millwood, Cedar Swamp, St. Paul and surrounding communities at the Williamsburg County Recreation Center located at 2084 Thurgood Marshall Highway, Kingstree, SC.

Students helped to make this event a success in many ways, and they were commended by the event's sponsors and guests for their strong work ethics and behavior. As a result of their dedication and hard work, each student received 4 hours of community service for his/her efforts.

This event, sponsored by Councilman Andy D. McKnight, Sr., is an annual event for the elderly in Williamsburg County and it is held during the Holiday Season.
